Euromic is a non-profit marketing association, founded back in 1973, to promote its members to the global meetings and incentive travel industry.

But we are so much more than just an association. We are a well-connected family with expert, local knowledge. A hub able to deliver service excellence, confidently, competently and completely.

We know how to be
the perfect Destination Management Company - DMC
because we originated the term. We are an association of the world's leading destination management companies.

euromic members are experienced DMCs with skills across various segments of travel including:

- meetings**
- incentives**
- conferences**
- events**
- specialized group travel**
